

**CVFSC Annual Spring Show
April 26th & 27th @ 7:30 p.m.**

Non-CVFSC Skater Registration Form

The Cache Valley Figure Skating Club would like to offer all competition level/private lesson skaters an opportunity to be in a **group** number in our Annual Spring Show. Attendance both evenings will be mandatory. The fee will cover registration and costume fees. The costumes will become the property of the CVFSC after the show.

All practices will take place during a determined freestyle session set by the choreographing coach. Regular ice time charges for those sessions still apply and are the responsibility of the skater. Ice time fees are payable to the rink at each session.

Conflicts in scheduling must be addressed before the first practice. If a skater misses 2 practices, the coach reserves the right to remove the skater from the group.

Costs: \$62 due by February 18th (Late fee \$20)

*NO applications will be accepted after February 25th
