

Invitation for Learn To Skate Students to Perform in the CVFSC Spring Show

Eccles Ice Center April 26th and 27th @ 7:30 p.m.

The Cache Valley Figure Skating Club would like to invite Learn to Skate Students to participate in a **group** number for our Annual Spring Show. Attendance both nights is mandatory. The fee will cover registration, coaching, and costume fees (the costumes become the property of the club after the show). This is a great chance for your skater to put their figure skating skills into a program, learn some basic choreography, and meet other skaters!

Please Note: Ice time is NOT included in the registration fee. You are responsible for signing in and paying at the front desk before the start of each practice session. There are punch passes available for purchase from the Eccles Ice Center that will cover the payment for these sessions. Thank you!

Practice Sessions: Practices will be scheduled by your coach. They will do their best to accomodate schedules. Each skater is required to attend practices. If your skater misses more than 2 practices they may not be able to participate in the show and forfeit their registration fees.
